

## **CASTLE CARROCK AUTUMN SHOW AND DOG SHOW**

10<sup>th</sup> September 2016

**Held together with the annual leek club  
competition**

**Please do make a note in your diary.** This is an important event to raise funds for repairs to St Peter's church and of course for us to have a fun and slightly competitive day together.

The schedule is available from the church and the village website as well as being distributed around the village. There is also a Facebook page, Castle Carrock Autumn show.

We could do with some helpers on the day. Please contact Hilary either through the Facebook page, tel. 01228 670051 or e-mail [john@fellfoot.co.uk](mailto:john@fellfoot.co.uk)

Donated produce will be auctioned on the day for Church Restoration funds.
